PURPOSE OF THE PROGRAM

To keep up with the rapid fluctuations and higher challenges of the 21st century business landscape, organisations must become dynamic and responsive in their approach to learning.

We, as L&D Professionals, need to help our organisations understand learning as a competitive tool and to encourage the paradigm shift that recognises learning, not as a cost but as sound business investment strategy.

This workshop provides an in-depth understanding of a range of concepts relating to the role of Learning and Development within an organisation. It also helps you develop the skills that will increase not only your personal success but also increase your impact within the organisation (or with clients).

It will provide a depth of knowledge and expertise to enable proactive contribution. It will also develop specialist skills enabling you to ensure aligned, integrated, effective and sustained learning at all levels.

ABOUT THE PROGRAM

The course is ideal for:

Learning and Development Managers and Heads of Training who have the overall responsibility for training assessment, design and output within an organisation.

ABOUT THE PROGRAM

Program Objectives

- Gain the skills and tools you need to transform your L&D function, influence strategic decisions and position yourself as a forward-thinking L&D professional.
- Keep your learning current – ensure you keep up with change, new online learning techniques and recent developments in L&D.
- Progress your career – build on existing knowledge and demonstrate your professional capability.
- Prove the impact of L&D in your organisation and learn critical evaluation methods.
- Learn from the experts – be inspired by the experience, knowledge and insights of leading L&D professionals as well as meet like-minded individuals on the course.

Training Methodology

This highly interactive Aspire training course will involve active participation by all participants through a combination of direct instruction, analysis and evaluation of practical case studies, examples and exercises as well as discussions of current issues, policies, procedures and other “real life” issues arising within the participants’ respective organisations.

Program Summary

The AIPLD certified programme is built on the foundation of a three-day face-to-face workshop supported by blocks of Personal Development and some self-learning. Throughout the Programme each participant will carry out a work-related assignment and keep a Project Diary. Participants will also be required to keep a Reflective Learning Journal of their involvement on the course.
